

Pinot Grigio

SICILIA DOC

This is an international grape variety cultivated in Sicily. It has a decisive character, while maintaining a fresh and elegant flavor.

Production area

Acate, in the province of Ragusa. This grape prefers terrain that is typically sandy and sloping, and with lots of sunlight. The type of farming used is “Espalier”, with an average density of planting where there are 4500 plants per 2.5 Acres.

Grapes Pinot Grigio

Characteristics

Color: soft straw yellow.

Bouquet: notes of fruit that are slightly ripened (white peach and pear) mixed with notes of dry yellow flowers.

Flavor: intermediately tart, possessing good viscosity, manifesting a pleasurable minerality and freshness.

Pairings: it pairs well with antipasto of raw fish and shell-fish dishes. Optimal with mixed fried food.
